

1st April 2025

Dear Parents and Carers,

### **Ancient Greece Workshop – Tuesday 6th May 2025**

To enhance the children's History learning, a professional company will be coming into school for the day to bring Ancient Greece to life. The children will learn about the early civilisations of the Minoans and the Mycenaeans. They will learn about how the Gods and Goddesses featured in everyday life and find out about Ancient Greek soldiers and the weapons they used. The children will undertake practical activities such as making a class wall frieze telling the story of the Trojan war and playing the ancient board games. Additionally, they will practise Greek battle tactics through the use of archery and many more exciting ways!

The workshop will take place within the normal school day on Tuesday 6th May and will be all day. We are asking parents for a voluntary donation of £8 to cover the cost of the workshop. Please note that no parent is asked to subsidise another child.

The school will fund 50% of all children who are in receipt of free school meals (benefit related only) £4.

**This is a voluntary contribution, however if we do not receive contributions we will have no alternative but to cancel the workshop.**

Please sign in to your ParentPay account and make payment by **Friday 25th April**.

All events are costed in advance and based on total number of pupils due to attend. In the regrettable situation your child cannot attend on the day of the workshop due to absence, then unfortunately the school is not in the position to offer any refund.

Please do contact me if you have any further queries.

With best wishes,  
Miss Coverdale
