What we did last week!

Reception Class have had lots of fun in the sun this week! We have been busy creating fairy stories in the small world, making volcanoes in the water, and writing and drawing on a large scale.

What we did last week!

Year 6 attended their Leavers Mass with other Year 6 children from across Torbay at the church of the Assumption of Our Lady led by Canon Mark. The children behaved beautifully and there was a lovely moment, where two of the Year 6 children handed candles over to two of our Year 5 children, symbolising passing on the responsibility ready for next year!

What we did last week!

Year 6 used their knowledge of electrical circuits to design their own steady hand game! It proved a lot trickier than we thought!

What we did last week!

Year 6 had an interesting time on their swimming trip! The coach broke down on the way there, so we had to walk part of the way! Thankfully we still made it in time for our lesson. But, the best part was that they sent a double decker bus to take us back to school! Everyone got very excited about being sat at the top of the bus - particularly when the bus drove through low-hanging branches!!! It's the little things

This week's Gospel Value

Justice

Catholic Social Teaching reminds us that if we want to live as followers of Jesus, we need to live as people for others. This means making sure that we are fair to everyone.

This week can you:

- share what you have with others
- speak out if you think that someone in your class is not being treated fairly

Dear God,

Help us to become a school where justice is guided by love; love of God and love of our neighbours.

Help us to live our faith so that our concern for social justice will be transformed into action as we spread the Good News in this land.

Grant us this through Christ our Lord.

Amen

Attendance Reminders

If your child is sick please ring on the first day of absence by 9.00 a.m. and every other day thereafter. If you don't do this we will ring you as we are required to check on the welfare of our pupils. You must inform us of your child's symptoms.

Is my child too ill for school? (Government advice)

Evidence of all medical appointments must be provided.

If your child arrives after 9am (after registers close) this is recorded as an unauthorised session (unless evidence of a medical appointment has been provided).

Children across Torbay are going to be able to take a Deep Sea Adventure at their local library this summer as Libraries Unlimited launch their very own reading challenge.

Based on the charity's popular reading challenge for five to twelve-year-olds 'The Secret Book Quest', The Summer Book Quest sees beloved characters Pip, Zena and Libro head off on a new adventure. The theme for the first year is The Deep Sea Adventure, based on the Underwater Zone in The Secret Book Quest.
