# What we did last week!

A HUGE congratulations to the Y6 children who achieved their Civic Award this year. They have worked so hard all year... raising money for charity, supporting acts of kindness in the wider community, acting as responsible citizens in the school community and making pledges to safeguard the future of our environment. We are incredibly proud of them all and know that with such an amazing attitude, they will go on to achieve great things in their futures!

# What we did last week!

This summer in Year 1 we have been learning about the art work of Andy Goldsworthy, who uses nature to create his art. We went outside and collected a variety of twigs, leaves, pinecones, flowers and stones to create our own Andy Goldsworthy inspired artwork. The children created some wonderful pieces of art.

With green fingers and golden weather, we're growing great together at gardening club!

# Enterprise Event

The children in Year 6 have done an amazing job with their Enterprise Event this year! Each group is given a 'start up' fund of £20 (kindly donated by the PTA). They have to decide on what event they would like to run, purchase everything they need, generate advertising, keep a running budget, communicate as a team and organise themselves to meet deadlines - all incredibly useful life skills! They have to pay back their start up loan and can use any money they make for an end of year treat! A massive thank you to everyone who came and supported them. There is still some stock left and so we will be setting up a few tables to sell what we can after school at the beginning of the week. If you can come and support them, it would be much appreciated!

# This week's Gospel Value

Justice

Catholic Social Teaching reminds us that if we want to live as followers of Jesus, we need to live as people for others. This means making sure that we are fair to everyone.

This week can you:

- share what you have with others
- speak out if you think that someone in your class is not being treated fairly

**Dear God,**

**Help us to become a school where justice is guided by love; love of God and love of our neighbours.**

**Help us to live our faith so that our concern for social justice will be transformed into action as we spread the Good News in this land.**

**Grant us this through Christ our Lord.**

**Amen**
