# This week's Gospel Value

Integrity

This week's Gospel reminds us that preparing for the Lord is not only about outward actions but about living with integrity.

Integrity is courageously choosing kindness even when no one is watching, keeping promises, and standing firm in truth.

Advent is a time of waiting and preparing.

To prepare with integrity means making space for God in every part of our lives—our thoughts, our words, and our actions. It means being faithful in small things, so that when Christ comes, He finds us ready, living as children of light.

This week, let us practice integrity by:

- Speaking kindly and truthfully.
