## **1. Introduction**

1.1 It is our school policy that all children wear school uniform when attending school, or when participating in school-organised events outside normal school hours. The uniform is described in Appendix A.

1.2 We expect children to take pride in their personal appearance.

## **2. Aims and objectives**

2.1 Our policy on school uniform is based on the belief that school uniform:

- promotes a sense of pride in our school;
- helps to create a sense of community and belonging towards the school;
- identifies the children with the school;
- supports our commitment to inclusion;
- keeps children focused on learning rather than fashion;
- is practical, smart and designed with health and safety in mind;
- is considered good value for money by most parents.

## **3. Jewellery, Nails, Hair Ornaments, Makeup**

3.1 For health and safety reasons we do not allow children to wear jewellery or false nails or nail extensions. The exceptions to this rule are earring studs in pierced ears, and small objects of religious significance.

3.2 Children are not permitted to wear earrings during PE lessons to prevent them from causing injury. Please note: Teachers are not permitted to remove earrings and therefore if a child can't remove them themselves they will be covered with surgical tape.

3.3 Functional hair bands, ribbons/bows or 'scrunchies' should be plain blue. Hair ornaments should not be worn. Makeup and nail varnish should not be worn to school unless for an out of school hours function, for example a school disco.

3.4 Extreme hairstyles are not appropriate for school. The use of styling products should be kept to a minimum and children should not have decorative patterns cut into their hair or have hair coloured or dyed.

## **4. Footwear**

4.1 For health and safety reasons we do not allow children to wear shoes with platform soles or high heels. All children are required to wear plain black shoes or trainers without logos as stated in the uniform list.

## **5. Adaptations for Pupils with sensory needs**

5.1 The school recognises that some pupils with sensory needs may require reasonable adjustments to the uniform policy to ensure they are comfortable, safe, and able to participate fully in school life.

5.2 Adaptations will always be considered on an individual basis, informed by the pupil's needs and any professional advice. This may include adjustments to fabric types, fastenings, footwear, sensory-friendly alternatives, or flexibility around specific uniform items.

5.3 The school will work collaboratively with families and relevant professionals to agree appropriate adaptations, ensuring that every pupil can meet expectations in a way that supports their wellbeing, dignity, and access to learning.

## **6. Adaptations for Pupils of other faith backgrounds**

6.1 The school is committed to respecting the beliefs and practices of pupils from all faiths, and will consider reasonable adjustments to the uniform policy where these are required for religious observance.

6.2 Requests for adaptations—such as specific head coverings, modesty requirements, or alternative garment options—will be discussed sensitively with families to ensure that pupils can express their faith with dignity while still maintaining a cohesive sense of belonging to the school community. Any agreed adjustments will balance individual needs with the school's wider expectations, ensuring that all pupils feel included, respected, and able to participate fully in school life.

## **7. The Role of Parents**

7.1 Parents are responsible for ensuring that their child has the correct uniform and PE kit each day, and that it is clean, in good repair and labelled with the child's name.

7.2 If a parent has difficulties for any reason with fulfilling this request, they should ask to speak to a senior member of staff in confidence. Parents should be assured that we will do all we can to help.

7.3 Children who arrive at school wearing non-school uniform items may be expected to wear 'spare' school items for the day.

7.4 Children without the appropriate PE kit may also be expected to wear 'spare' school items.

7.5 The school is committed to being fully inclusive. If there are serious reasons, for example, medical or religious grounds, why parents would want their child to wear a non-uniform item they should make a request in writing to the headteacher, providing evidence for the reason where necessary. All requests will be considered sympathetically.

## **8. The Role of Staff**

8.1 All staff are responsible for upholding the school uniform policy and advising pupils when to remove items such as jewellery or hair accessories or find alternative items for them to wear.

8.2 The pupil administrator is responsible for maintaining a 'bank' of pre-worn school uniform items that may be shared with those in need.

## **9. The Role of Governors**

9.1 The governing body supports the headteacher in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the headteacher to ensure that the policy is implemented fairly and with sensitivity.

9.2 It is the governors' responsibility to ensure that the school uniform meets all regulations concerning best value and equal opportunities. Governors ensure that the school uniform policy enables children to dress sensibly, in clothing that is hard wearing, safe and practical.

## **10. Monitoring and Review**

10.1 The governing body monitors and reviews the school uniform policy through its committee work by:

- seeking the views of parents, to ensure that they agree with and support the policy;
- considering, with the headteacher, any requests from parents for individual children to have special dispensation with regard to school uniform;
