Dear Parents

I am writing to confirm that, from 1st September 2026, the price of a school meal will be £2.96.

This price adjustment is necessary due to the continued increase in food costs, alongside wider inflationary pressures affecting the supply chain. We have worked hard to keep the increase as low as possible while continuing to provide pupils with nutritious, balanced meals that meet school food standards.

Meals can be booked and paid for through ParentPay where required. Please ensure any bookings are made in advance in line with the school's usual meal ordering arrangements.

You may also be eligible for free school meals. Please see the accompanying letter, which explains more about eligibility and how to apply.

Thank you for your support and cooperation.

Matthew Milner
